sterre & tijn amsterdam

Sterre & Tijn Amsterdam is a luxury baby and children's store that offers all leading brands under one roof, in one of Amsterdam's most famous and attractive shopping streets.

What it is Sterre & Tijn Amsterdam offers a broad range of baby and children's products such as clothing, linen, furniture, buggies and much more. With top clothing brands including Armani, Bonpoint, Burberry, Charabia, Cacharel, Polo Ralph Lauren and Kenzo, children become fashion icons at Sterre & Tijn Amsterdam. The range of kids' furniture and linen features top brands, such as Simon Horn's Nursery Collection with adaptable and stylish 18th century furniture, Theophile & Patachou bed linen and the characteristic Planet Little furniture with

its curved lines. Sterre & Tijn Amsterdam stocks a variety of buggies, including the latest models such as the highly popular Dutch Bugaboo, the award-winning Norwegian Xplory and the New Zealand Urban Jungle.

The favourite cuddly toy is handmade by Hermann Teddy, and kids can learn to eat and drink in style with the new range of children's crockery by Gien, while sitting on a Stokke Tripp Trapp chair. Recaro doesn't only make Porsche chairs, it also has a car seat for the little ones, which can be supplied in leather to match the car's upholstery.

What it stands for Quality, beauty and originality. These three terms sum up Sterre & Tijn Amsterdam, a shop that stands for the best, the most beautiful and the newest products, aesthetically presented in a chocolate brown interior decorated with white furnishings. Besides an attractive standard collection suited for every parent and parent-to-be, Sterre & Tijn Amsterdam also offers clients the latest novelties from around

the world, as well as valuable advice and guidance to new parents.

Spreading the word Selling is easy when you have such high-quality, beautiful products on offer, which is why Sterre & Tijn Amsterdam doesn't need to invest in advertising. As a leading name in baby and children's products, Sterre & Tijn Amsterdam receives a

lot of free publicity, with frequent phone calls from journalists seeking Sterre & Tijn Amsterdam's expert opinion on certain new products or developments in the branch.
